Wishing Well Tennis Club

Spring 2013

> President's message

Welcome back everyone. The 2013 outdoor tennis season will soon be here and we are all looking forward to another exciting season of tennis. We hope to see you all soon at Wishing Well.

This year there will be new junior programs at Wishing Well that are being organized and run by **Humphrey Brown** and his team of professional coaches. Humphrey has over 20 years of experience in making tennis fun for kids. He is a full-time tennis coach working in the winter at the NYWTA and coaches at various clubs in the summer. They will also be offering adult lessons. As part of the program we will be purchasing a court divider which will be installed between court 1 and 2 so that the lessons do not interfere with players on the other two courts. Court 1 is the one closest to the clubhouse. He has after-school junior programs from 4-6 pm on Mondays through Friday plus a junior program on Saturday afternoons from 4-6 pm. There will always be at least one court available for members to use during these periods. Please ensure you have your shoe tag on

when you go to the club as he plans on having a court monitor there. The junior program will be starting on Monday, May 6. The adult group lessons are on Monday evenings from 7-9 pm and will only use one court so that it hopefully has minimal impact on our casual Monday's tennis. Humphrey also

will be running Tennis Camps in the summer from 9:00 am to 12:00 noon Monday to Friday. Full details of the junior programs and adult lessons will be available at the club.

We are also starting a singles tennis ladder this year at the club. **Mohammed Ajmal, Nelson Au and Jeremy Debattista** have volunteered to organize the ladder. Full details will be available at the club. If you wish to sign up for the ladder, please contact Ajmal at 416-606-5436 or by email at majmal@gmail.com.

Our membership fees are the same as last year. Join by opening day on Saturday, May 4 and get the early-bird adult rate of \$65.00. We are again going to put a combination lock on the clubhouse gate. You will receive the combination when you join the club.

Philip Yong has resigned as our grounds coordinator, a position he has held since 2004. We wish to thank him for all his hard work over the years. As a result we are looking for a volunteer to be the club's grounds coordinator.

Many thanks to all the members of the executive committee, without whom the club would not be able to function.

The success of the club depends on the volunteers who serve on the executive, and various other club members who volunteer their time

> Opening day

Saturday, May 4

11 am to 12:30 for juniors

12:30 to 4:00 pm for adults

Humphrey Brown will be providing a free lesson clinic for juniors at 11 am and for adults at 1 pm. Come for the free barbecue starting at 12 noon for the juniors and at 1:00 pm for the adults, socialize with other members and play some tennis. There is no rain date so even if the weather is not suitable for tennis you can still come and pay your membership fees, pick up your shoe tags and get information on the new club programs.

There will be a raffle as well for various prizes that have been donated. It will be held around 2:15 pm.

The Doug Philpott Inner City Children's tennis fund is looking for donations of gently used junior and adult racquets for use in their programs. If you have any suitable racquets, just bring them to the club and we will forward them to their contact person.

and energy. The long-term success and viability of the club depend on maintaining and hopefully increasing the levels of membership and having new members volunteer to help the club. If you would like to be a volunteer and contribute to the success of the club, please let us know.

Please check the calendar on the website or the noticeboard to find out when the courts are occupied for competitive league matches. The competitive season starts on Tuesday, May 7. Each team plays at home 7 times and away 7 times until the middle of August.
