Wishing Well Tennis Club

Spring 2014

> President's message

After one of the worst winters in recent memory we are all looking forward to the milder weather and the start of another exciting season of tennis. We hope to see you all soon at Wishing Well.

Congratulations to the STF B1 team, the division champions who were promoted to the A2 division.

We have reluctantly decided to increase the membership fees by \$5.00 for adult members and \$10.00 for a family membership. The last increase was in the 2012 season. The increase is necessary to pay for the annual increases in the City of Toronto permit fees plus additional insurance costs. Join by opening day on Saturday May 3 and save \$5.00.

Milica Stamenic will be our main tennis coach this year. Her contact information appears on the next page. She will be offering group and private lessons this year starting in early May.

> Grounds

The nets will be set up the second week of April when the weather permits. The windscreens will be set up in early May prior to the start of the league matches.

This year we are again going to put a combination lock on the clubhouse gate. The combination will be changed this year so be sure you make a note of it when you receive your shoe tag.

The club has agreed to participate in a new singles tennis ladder together with 2 or 3 other local tennis clubs. Details will be provided when they become available.

Many thanks to all the members of the executive committee, without whom the club would not be able to function.

The success of the club depends on the volunteers who serve on the executive, and various other club members who volunteer their time and energy. The long-term success and viability of the club depend on maintaining and hopefully increasing the levels of membership and having new members volunteer to help the club. If you would like to be a volunteer and contribute to the success of the club, please let us know.

> Opening day

Saturday, May 3
12:00 to 4:00 pm

May 3 is opening day at WWTC. Come for the free barbecue starting at 1:00 pm, socialize with other members and play some tennis.

There is no rain date so even if the weather is not suitable for tennis you can still come and pay your membership fees and pick up your shoe tags.

There will be a raffle as well for various prizes that have been donated. It will be held around 2:15 pm.

Please check the calendar on the website or the notice board on the clubhouse wall to find out when the courts are occupied for competitive league matches. The STF competitive season is starting on May 13, a week later than last year, and there is a break the first week of August for the Rogers Cup. Each team plays at home 7 times and away 7 times until the end of August. It is expected the Intercounty league matches will start on May 6 and finish in the middle of August.

For membership inquiries, please contact Penny Robinson.

Join by May 3 and Save \$5

It's that happy time of year again when you can take out your tennis racquet and look ahead to the nice tennis weather. So now is the time to renew your Wishing Well Tennis Club membership.

The membership fees are as follows:

	Regular Fee	Early Bird Fee
Family	\$155.00	\$145.00
Adult	\$75.00	\$70.00
Junior	\$25.00	\$25.00

Pay by May 3 and save \$5. Guest fees are \$5 per person; you may bring the same guest 3 times. The guest fee is payable to any executive member, coach or team cap-

tain at the courts.

Your membership fees cover the club expenses for permit fees to the City of Toronto, court maintenance, nets, resurfacing, newsletters, signage, new windscreens and so on. The club also has to pay a fee of \$11.50 for every adult member (\$3.00 for juniors) to the Scarborough Tennis Federation, which in turn pays a portion of that to the Ontario Tennis Association.
