Wishing Well Tennis Club

Spring 2023

>President's message

Welcome everyone. The 2023 tennis season will be here soon and we are looking forward to the warm weather and playing outdoors again.

We'd like to thank Daniel Kazmer who stepped up and upgraded our WWTC website. He's done a wonderful job helping us with its new online registration process.

2023 Registration is here. **New this year is our on line registration**, you must go to the membership section on our web site to register then etransfer to wishingwelltennis@hotmail.com. Join by April 3rd and get the early-bird Adult rate of \$80.00, please do not wait until opening day to get your early bird. Payment of your membership is possible by etransfer to our club email, we have automated deposit... no security question needed.

We will be using the same online booking system that we used last year.

Milica Stamenic, Michael Qian and Akemi Seiriki are returning as the clubs tennis coaches this year. They will be

offering group lessons again, starting in early May, and also private lessons.

The club will continue to be secured with a combination lock on the gate. The combination number will be sent to members in a separate email after they join.

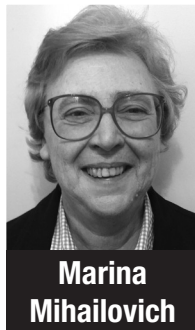

Friendly get-togethers to meet WWTC members:

Drop in for round robin play on Monday evenings starting at 7:00 pm on Court 1. This works well if enough members attend.

We are also looking for a volunteer who can attend most weeks to act

as coordinator. There is no cost for playing in the round robin and it is a good opportunity to have fun and play regularly.

Court availability: Please check the calendar on the website or the notice board to determine when the courts are occupied for competitive team matches, socials or tournaments. We plan to have 2 competitive teams including one STF team playing on Wednesday

evenings and the one InterCounty A team playing on Thursday evenings respectively. The Inter County matches are not usually completed until close to 11 pm, which is the time when the lights go out, so it may not be possible for other members to get any court time those evenings. The STF competitive season starts the 2nd week in May with each team playing at home 7 times and away 7 times, with a break for a week in early August for the Rogers Cup. It is expected the InterCounty league matches will be from mid May to mid-August.
